COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

There were 15 applicants for the operator's position within the Sewage System. The Selectmen are now considering the qualifications as presented in the applications. Some of the individuals, especially those not known personally by the Board, are being requested to meet with the Board. All the applicants except three, are residents of Bethel.

The Assessors will be in session Monday, April 2, from 10 a. m. to 5 p. m.

In 1973 there will be no poll taxes assessed due to the legislation recently passed. This does not mean those taxes unpaid will not be collected. The revenue received from that source is so small compared to the total commitment it will make no noticeable difference in the tax bills.

We have received notification that Lovers Lane has been designated as a State Aid Road. A request has been presented to the Highway Commission for a special fund to rebuild it.

— Mrs. Collie Morgan, Corres. —

The country is a world of the nose. A new fragrance comes with each season. For a few days there has been a spring smell in the air, not really the fragrant soil but sodden earth, water, and old snow.

Most of one day the skies wept and a fidgety wind stirred combing the fog clouds. When it was over there was a warm wind and a blessed feel of sun. I was off to enjoy it. Everywhere at my feet I could hear the sound of babbling water as the little brooks chattered over stones and on to meet the pond.

The evergreens dripping from their greenery made the little twigs below nod and bob as if they were on a tiny wire. A strange sigh ran through the pines. I think they, too, long for spring and a time to back in the sunshine.

"I wonder about the trees. Why do we wish to hear Forever the noise of these More than another noise So close to our dwelling place?" Robert Frost

Near the ditches and ledges are the gray-dirty, gritty banks of ice which are ever present with spring rains.

Walking by the pond which was surfaced with open water, above the ice, I thought of the open pond soon to come. Every change to us who live in a climate of extremes is particularly interesting. When the warmer days come, we, by the ponds watch the ice begin to honeycomb, we may hear the breaking up as the ice grates; sometimes heaving up and scattering its wreck along the shore.

These earliest spring days are so pleasant that I am apt to forget that there are still raw and blustering days ahead for this is still only mid-March and ice out is some time away. But the hardness of winter has relaxed.

Where the water gurgles you know it is holding conversation in an under tone of content and promise.

A mile or more down the road I discovered a robin's nest in the crotch of a tree built with fibers and grass and a generous amount of mud. It had wintered well. The nest that I notice often and wonder about is on a limb near home. It is the latest of the tiny. Perhaps it belongs to a humming bird. Looking up at it far above my head it is hard to tell of what it consists.

As I stopped to observe the pussy willows I saw a duck track. They have been pattering around for some time; hunting for a grub or a beetle. Most of the time they poke about, little black beady eyes down, always searching for food. Skunks... plus the chipmunks and squirrels... are very plentiful and many come to grief for they can't outwit a car.

I didn't gather my pussy willows today... too wet and snow still too deep.

On the way back the cross greeted me near the pond fence. They had been out to see what the fishermen had left for them on the ice.

Life of the great out of doors goes on. Winter still holds a chilly surface but beneath there is a hidden secret as the woods darken against blackness of a March sky.

Mr. and Mrs. Dwight Oldham, West Paris, visited with Mr. and Mrs. Norman Millett on Sunday.

Many from here attended Town Meeting at Locke Mills on Monday evening.

Mrs. Grant brought a lovely birthday cake for Mrs. Graves, which was served later in the evening. Miss Cole brought her guitar and some tape recordings. The idea of going to Bible School.

Piano is a big part of Bev's life. She has played for 12 years, and is now giving her younger brother lessons. Bev has played the piano for Telstar's Chorus for four years. She plays at the Calvary Congregational Church, for Sunday School, and at Youth Group.

When asked her favorite subject, Bev replied, of course, "music". Her very favorite piano piece is Nocturne in E minor, by Chopin.

Bev fools around with playing her guitar and likes to sing, though not publicly.

She likes animals (excluding snakes) and especially loves horses. Her sister owns a colt, which brings out Bev's artistic ability. Bev draws and paints. She makes hundreds of sketches and drawings of horses (which, incidentally, are very good!).

Another of Bev's loves is sports. She has been on the track team, likes basketball, swimming, and is a stock car races fan. She also enjoys cooking, sewing, reading, and working crossword puzzles.

Bev would like to visit Ireland someday.

She is the oldest of four boys and two girls, and is the daughter of Mr. and Mrs. Ronald White of East Andover.

Guests Sunday of Mr. and Mrs. Roberts were Mr. and Mrs. Sherman Piper and children, Dixfield; Mrs. Carlton Cole and two children and Duane Roberts of Locke Mills.

Mr. and Mrs. Jonathan Stowell of Ayer, Mass., came Friday to visit her parents, Mr. and Mrs. Arthur Gilbert and his parents, Mr. and Mrs. George Stowell Jr. and other relatives.

Reginald Gilbert and Miss Carolyn Tyler were overnight guests of his sister and husband, Mr. and Mrs. Stephen Blake of South Paris, Saturday night and attended the dance held at Westbrook College.

Raymond Saunders Sr. returned to work Monday at Hanover Dovel Co. He suffered a badly bruised shoulder in a conveyor accident at the mill last week, so was unable to work for a few days.

Mr. and Mrs. Ernest Grant and four sons of Yarmouth and Mrs. Ruth Gordon of Norway spent the week end with Mr. and Mrs. Gordon Mason.

Roger Wheeler Jr. who was operated on Tuesday of last week for a ruptured disk in his back returned home on Friday from the C. M. G. Hospital, Lewiston.

Reginald Gilbert fractured some bones in his hand a few days ago. He went to Dr. Harrell Monday who put his hand in a cast.

Mr. and Mrs. Clarence Rolfe who accompanied her brother and wife, Mr. and Mrs. Charles Day of Locke Mills on a trip to Florida returned home Saturday night, March 10. They left for Florida on Feb. 22. They enjoyed the trip very much, visiting Disney World and other places of interest. The men were able to do some fishing. They stayed with friends while in Florida. They called on Mr. and Mrs. Ralph Burris.

Mr. and Mrs. Kenneth Lovejoy, Mrs. Eleanor Lovejoy and Miss Lilian Lovejoy enjoyed a ride Sunday to Waterford via Lynchville returning through Hunt's Corner, Albany.

**VOLUNTEER TUTORS BEING
ORGANIZED TO
ATTACK READING DEFICIENCIES**
Volunteer tutors are being mobilized
by the State Dept. of Education
and concerned non-governmental or-
ganizations in a combined attack against
reading deficiencies among
school children throughout Maine.

The objective is to draw into the
schools lay people and non-educators,
such as parents, retirees and
students, to share in the tutorial
role. Even as little time as two
hours per week would be regarded
as a significant individual contribu-
tion to a program whose overall
aim is the elimination of illiteracy
in the '70's.

The campaign will begin with a
two-day workshop to be held on
Monday and Tuesday, March 26 and
27 at the Glendale Pethers Retreat
House, Augusta.

Attending from S. A. D. 44 will be
Mrs. Natalie Timberlake, reading
teacher at Woodstock and Locke
Mills, and Miss Margaret J. Tib-
bets, vice chairman of the board
of directors.

This program has been favorably
reviewed by several reading exper-
tise in Maine and it has received
the endorsement of the Maine Read-
ing Association (MRA) and the
Maine branch of American Associa-
tion of University Women (AAUW).

At the National level, the Parent-
Teachers Association (PTA) has been
actively involved in promotion of the
program.

Letters to the Editor
1401 South Ave.
Stratford, Conn. 06497
3-873

To the Editor and Readers:
To senior citizens who are enroll-
ed in Medicare I would like to make
a suggestion. At the present time Sen.
Muskie, as chairman of the sub-
committee of the Senate Committee
for the Aging, is holding hearings
on the administration's proposed in-
crease of the cost of Medicare from
the \$2 a year now paid to a 10%
increase in the daily cost from the
second to the 60th day of hospitali-
zation. A bill similar to this was de-
feated last year but the adminis-
tration is trying again this year. The
sub-committee has already branded
this proposal as "unwise and un-
just." Caspar Weinberger, Secretary
of H. E. W. said Monday (March
5, 1973) "doctors are sending Medi-
care patients to the hospital unne-
cessarily." He defended the adminis-
tration's proposal "to discourage
the practice by making Medicare
patients pay a larger share of the
cost."

A Medicare patient pays about \$72
now for the first day of hospitaliza-
tion and nothing for the next 59
days. The administration plan would
add 10% for the 2nd thru the 60th
day.

Senator Muskie stated, "Medicare
now only covers about 42% of the
total health bill for persons 65 or
older. Improvement—not retrenchment—
should be our goal."

I recently received a letter from

UPTON

— Mrs. Arline Bernier, Corres. —
We were without electric power for about 2 1/2 hours one night last week due to an accident in Milan.

Frank Spiney visited his sister, Elsie Fuller, one day last week.

The blackbirds and starlings have returned and coons are frequently seen.

Fred took a critical look in his mirror after being congratulated that his "daughter" received Maine Mother of the Year Award. He's not sure whether he best get a face lift and wig or give in and get a cane. He said if it were our other sister who is 10 years younger than Lillian it would have been less of a shock.

Elsie Fuller and Mae Goodrum cleaned the Ladies' Aid Building and shoveled the snow from the path. Some of the spring cleaning was done at the Church Building including dismantling and removal of the Christmas tree.

A public meeting was held Tuesday night to discuss the possible sale of the school house to the Brown Co. for local headquarters. Jim Bates and Ken Norcott of the Woods Dept. explained why they are considering the purchase and what they would do with the property.

Some of the 11 voters and several visitors present then asked questions and expressed opinions on the subject. Dale Thurston expressed concern for loss of scenic beauty as this property is atop a hill across from the church and overlooking the lake. Other points brought up were ecology and traffic problems. Mr. Norcott and Mr. Bates then asked for suggestions of other sites or property available which would be more palatable to the objectors.

There will be a housewares party at my home on Wednesday evening, March 21, with Tina Phillips as demonstrator. I hope many of the ladies in the area will be able to attend to give this new demonstrator encouragement.

Town meeting at Bryant Pond on March 5 was well represented from South Woodstock.

It is Red Cross time again and the following ones from South Woodstock will be asking for your assistance. Eleanor Koskela on the Koskela Road and North Paris Road to Abbotts inclusive. Barbara Cash is collector for the Valley Road, Goldie Mason will collect for the Curtis Hill Road while Olive Davis will go from her home to the Main Road down the main highway to the West Paris line. Marta Clements will collect on the Andrews Road to the Hendrickson's inclusive.

If anyone would like to contact the girls to make a donation please feel free to do so. If we miss you

at your home we hope you will try to get in touch with us for this worthwhile donation. This can be taken out of your income tax so let us share in this with the government. Thank you.

A special thanks goes to these girls who have consented to call on the ones in their area. "Many hands make light work" so the saying goes and we truly do appreciate their efforts.

Mrs. Carl Cash has been caring for her two grandchildren for the last 10 days while their mother, Mrs. Alicia Stephens, is doing some redecorating in her home at Mechanic Falls. They will return home this week and Mrs. Cash will return to her work at the nursing home in West Paris.

"QUIZMO" AT C. P. S. — Friday afternoon, March 9, Mrs. Young's fourth grade had the pleasure of playing host to 17 parents and friends for an hour of Quizmo at Pleasant Park School. Lots of "memory" and lots of

"luck" made good Quizmo players and though the fourth graders have struggled to master their multiplication tables it must be noted that the adults won most of the prizes. The class wishes to thank the parents and friends for attending.

Last year our chapter (Southern Oxford) merged with Auburn Chapter. We are now known as the Androscoggin Valley Chapter, A. R. C. composed of 30 branches. A full time office staff in Auburn now serves us week days, 8:30-4:30, with answering service around the clock and week ends. Locally your Home Service Chairman works with this office to bring Red Cross Services home. As a volunteer worker her services are requested from servicemen and families by the government on Project "Find" or any information for assistance. Red Cross can give to all who are in need. We are now making plans to bring updated First Aid instruction into the area if enough interest is shown.
